24Hr Virtual Assistant

Susan, your 24Hr assistant, is always ready to answer questions on many popular software packages, 24 hours a day, 365 days a year. She'll show you short-cuts, helpful tips as she guides you through important features of the most popular programs. Why waste time and money on classes or help-lines? Your 24 hour Virtual Assistant provides all this along with an easy-to-use index for fast help searching during any Windows™ application. All answers are given using live video and easy-to-use procedure guide.

The Music Game

The highly interactive and exciting multimedia game that teaches you all you need to know about music!

Liona Boyd "The First Lady of the Guitar"

Oscar Peterson "Award Winning Jazz Pianist"

Players acquire a basic understanding of music that can be applied to most instruments. No prior knowledge of music is required and learn at your own pace! There are three highly interactive modes: play the game - Learn Music, listen to "Armchair Concerts", and learn about musical instruments by sight and sound. The Music Game is a proven accelerated learning technique, the equivalent of 6 months introductory music theory instruction. Superb animation, high quality computer graphics, hundreds of digitized sound samples and over 200MB of celebrity video clips will make this game one of the hottest on your list!
